GENTLE Yoga Classes

Saturdays 7:30 - 8:30 AM
March 2 - May 4, 2024

\$150
10 weeks

DuPont Community Center -
303 Barksdale Ave. DuPont WA 98327

About the Instructor

Masha Power has received the highest certification, E-RYT500, with the Yoga Alliance. She is also a Certified Clinical Yoga Therapist and Integrative Health Coach

Gentle Yoga Classes

Saturdays, 7:30 AM - 8:30 AM

March 2 - May 4, 2024

Gentle yoga is designed for those new to yoga or those who like a slow-paced practice that incorporates traditional postures and breath techniques. This 60-minute practice is focused on alignment, strength, balance, and flexibility, but in a very gentle way with the use of props and modifications. We will move gradually in and out of each posture until finding a holding position. This gentle movement protects and nurtures the joints, muscles, and connective tissue.

<https://www.dupontwa.gov/547/Classes>

CITY OF DUPONT PARKS & RECREATION

PARK APPRECIATION DAY 2024

Join the City of DuPont Park Commission as we spruce up our parks as a community!

SATURDAY, APRIL 27, 2024

Volunteers **MUST** check in at the DuPont Historical Museum or with their established Park Captains between 9-10 am

Light breakfast items will be provided at the Historical Museum between 9-10 AM for registered volunteers

**PRE-REGISTRATION
REQUIRED** →

Volunteers are asked to please bring their own tools!

Questions? Call Amy Walker at (253) 912-5245 or email at awalker@dupontwa.gov

Park Appreciation Day!

Saturday, April 27

Please join our Park Commission as we spruce up our parks as a community. Volunteers are asked to bring their own tools, rakes, shovels, gloves, etc.

Pre-registration is required.

<https://www.dupontwa.gov/195/Events>

Youth Baseball

Youth baseball registration for the 2024 season is now open! There is an option for all ages ranging 4 - 15 years old, boys and girls. Register today to secure your spot. Early bird registration ended **January 31st** but you still have time to sign up! Parks & Recreation is forever grateful to our friends at Patriots Athletic League who run a superb youth baseball and softball program for our community. Check out our website for enrollment and more information! "Play Hard, Play Right, Have Fun!"

<https://www.dupontwa.gov/549/Youth-Sports>

Nature & People Photography Classes

Whether you want to capture birds in flight or a beautiful scene in one of Washington's parks, your ticket to stellar images is knowing how to use your digital camera and understanding visual composition. Parks & Recreation is proud to offer a fantastic opportunity to learn the photography of people and nature this winter.

Classes will be taught by professional photographers Kate Lynch and Lynsey Strader. Next classes will take place on February 10. This would make a fantastic gift for the holidays! Registration information can be found here:

Public Services

SmartGov:

Are you looking to access SmartGov? Please visit the City's website, click on "How Do I..?" and "Access SmartGov". This will take you right to the portal.

Fall/Winter cleanup is slightly behind schedule, and with the recent winter storm additional leaves and tree limbs have been scattered throughout the city. Measures are in the works with BrightView to continue to get to areas hard hit by the storm and get the debris/limbs removed. Public Services staff is working hard to get it under control, but the freezing rain has added to the difficulty, and they are working through it. Thank you for your patience!

Did you know?... that development project materials are posted on the city's website to assist in staying informed and engaged of a new project or an ongoing project?

When an applicant submits project materials, these are placed on the City's website and can be located on the Planning Services page under Community Development: <https://www.dupontwa.gov/139/Active-Development-Projects>

Engineering update for on going projects:

- The City awarded the construction contract for the PFAS Treatment Facilities to McClure and Sons, Inc. for a total amount of \$7,301,440. Mobilization and utilities work at Hoffman Hills project site is in progress, and the project completion date is expected in late 2024.
- Center Drive Pavement Overlay Phase 6 project was completed in December 2023.
- HSIP "Highway Safety Improvement Program"- the City secured a Federal Grant for a total amount of \$539,000 for traffic and pedestrian safety improvements. WSDOT is currently reviewing the RFP.

City News

LOST AND FOUND AT CITY HALL & POLICE DEPARTMENT

Have you lost something that might have been found? Did you know the City of DuPont has two places lost items are collected? City Hall and the Police Department accept lost-and-found items. Please call City Hall if you believe you have lost something that might have been turned over to the City.

Call City Hall: (253) 964-8121
Office Hours: Mon. – Thurs. / 9AM-4PM
(Friday by appointment only)

LOST & FOUND

And if you find something that someone might be missing, we'd love to help reunite the item with the owner! Please stop by City Hall during business hours to drop it off. Thanks for being a kind neighbor!

Public Works Utilities & Operations update:

The PW Utilities & Operations Department is amid many accomplishments, but snow and ice are at the forefront.

Snow and Ice Operations:

Pre-Ice & Snow Event Preventative Action: Starts when crews apply a salt-brine solution to hills and primary access routes as a preventative measure to limit potential for ice to form and snow to stick on roads. Snowplowing starts on primary routes/hills when two or more inches of snow accumulate to minimize ice formation.

Ice Control: Sanding begins when icy conditions warrant application of traction assistance to the road surface. Sand/granular ice melt is generally applied only on hills, near intersections, or where requested by police to address specific problem areas. When a snow or ice event is in the forecast, and conditions allow, crews apply a salt-brine solution to hills and primary access routes as a preventative measure to limit the potential for ice to form on roads. Snowplowing starts on primary routes/hills when two or more inches of snow accumulate to minimize ice formation.

Snow Control: Public Works crews will focus on clearing snow from priority roads first, which include our main arterials, bus routes, designated emergency routes, and hills/steep slopes. We try to have all roads cleared as quickly as possible; however, the time required to address all primary and secondary routes will depend on the intensity of a given snowstorm event and how much snow or ice accumulates on the roadways. Crews are scheduled or called in to respond to a snowstorm event. All available trucks are put to work during adverse weather conditions.

More Info: [Snow-Removal-Info--Map \(dupontwa.gov\)](https://dupontwa.gov/Snow-Removal-Info--Map)

[Dupont Snow Plow \(youtube.com\)](https://www.youtube.com/watch?v=...)

Different Snowplow Cutting Edge:

Larry Clark, Public Works Supervisor for Utilities and Operations, would like to announce that he has a plan to implement (test) a different kind of snowplow cutting edge that should give crews the ability to cut through compacted snow and ice that they have struggled with in recent decades. He believes that if the results of the experimental cutting blades are as good as he expects, the difference in removal of compacted snow and ice should be noticeable to anyone driving city streets compared to previous years.

Stay tuned for future updates....

AUGUST 2023

I-5 - Mounts Rd. to Steilacoom-DuPont Rd. Corridor Improvements

Beginning in late summer 2023, contractor crews working for the Washington State Department of Transportation will begin construction on Interstate 5 in DuPont near Joint Base Lewis-McChord. This is the third in a series of projects that widens I-5 to add HOV lanes between DuPont and Lakewood.

Improvements coming to DuPont and JBLM

In addition to extending the I-5 HOV lanes, construction crews will make improvements that enhance mobility and safety in DuPont and near the JBLM DuPont Gate at exit 119, including:

- A new bridge spanning I-5 and the railroad. The new bridge will feature a partial Diverging Diamond Interchange and a shared-use path for pedestrians and bicyclists between JBLM and DuPont.
- Direct access between JBLM and both directions of I-5.
- A new roundabout connecting Steilacoom-DuPont Road and the new overpass.

The project will also add a new signal at the intersection of the southbound I-5 off-ramp at Mounts Road (exit 116) and improve the I-5 vertical clearance over Pendleton Avenue.

What you can expect

Construction will begin in summer 2023 and is expected to be complete in 2026. The project consists of multiple stages that involve overnight and weekend ramp closures, lane shifts onto temporary pavement, potential speed limit reductions, and bicycle and pedestrian detours. Crews will contain dust and debris to the construction site and will minimize noise as much as practical. Clear signage will indicate required detours throughout the project.

The project extends HOV lanes in both directions into DuPont.

Safety Message - Four Fire Safety Fun Facts

Fire safety comes in many forms. To provide you with some insight into fire safety, here are four fire safety facts you may not know:

Fires Most Often Start in the Kitchen

Almost 30 percent of fires start in the kitchen because this is primarily where open flames are used.

Cooking and Heating Cause the Most Fires

In keeping with the first fire safety fact, it's easy to see that cooking causes most fires. This is also true with heating components. Both cooking and heating are the most frequent causes of fires.

Smoke Inhalation Is a Serious Result of Fires

Many people think that the flames are what cause damage, injuries, and deaths during a fire. However, smoke inhalation is a common concern with fires. You don't even have to come in contact with the flames for fire to cause harm. Smoke inhalation and smoke damage are serious dangers that are often overlooked.

In 2022 fire department respond to an estimate 1.5 MILLION fires

In 2022, local fire departments responded to an estimated 1.5 million fires in the United States. These fires caused 3,790 civilian fire deaths and 13,250 reported civilian fire injuries. The property damage caused by these fires was estimated at \$18 billion. On average, a fire department responded to a fire somewhere in the US every 21 seconds in 2022. A home structure fire was reported every 88 seconds, a home fire death occurred every three hours and fourteen minutes, and a home fire injury occurred every 53 minutes.

Locking your vehicle doors is the first step in deterring a thief.

REMOVE YOUR KEYS

If your key is in the ignition, a thief can simply break a window and drive off. Never leave your vehicle running without someone in it.

CLOSE YOUR WINDOWS

Keep your windows closed completely. A thief can easily reach into your car through an open window

PARK IN WELL-LIT AREAS OR GARAGE

Thieves may be deterred if they know they can easily be seen.

DON'T LEAVE VALUABLES IN YOUR CAR

One way to attract a thief is to leave a purse or wallet, cell phone, laptop, or other high value item in a visible area of your car. If you must leave items in your vehicle hide them where they can't be easily seen.

BE AWARE OF YOUR SURROUNDINGS

If you're concerned about the safety of your vehicle or spot someone prowling around the area, park somewhere else if possible.

REPORT SUSPICIOUS ACTIVITY IMMEDIATELY!

City Council and Calendars

The next regular City Council Meeting will be held on
Tuesday, February 13 at 6:00 PM.

Helpful Meeting Links:

- ◇ **City of DuPont Meetings** can be watched live or later at:
City's YouTube channel: (https://www.youtube.com/channel/UCI-nrLK1wNfpq3_CeNJw40A).
- ◇ **Regular Council Meetings** can be watched live or later at the City's YouTube
channel
and/or at: Pierce County TV (<https://www.piercecountytv.org/1306/DuPont-Live-Meetings>).
